

DEMOCRATIC PLATFORM.

The following is the State Democratic platform as enunciated by the State Convention in assembly May 18th:

**Resolved**, 1. That the Democracy of North Carolina reaffirm the principles of the Democratic party, both State and National, and particularly favor the free coinage of silver and an increase of the currency, and the repeal of the internal revenue system. And we denounce the McKinley tariff bill as unjust to the consumers of the country, and leading to the formation of trusts, combines and monopolies which have oppressed the people; the unnecessary and burdensome increase in the tax on cotton ties and on tin, so largely used by the poorer portion of the people. We likewise denounce the iniquitous Force bill, which is not yet abandoned by the Republican party, but is being used as a measure to be adopted as soon as they gain control of the House of Representatives, the purpose and effect of which measure will be to establish a second period of reconstruction in the Southern States, to subvert the liberties of our people and inaugurate a new race antagonism and sectional animosities.

2. That we demand financial reform, and the enactment of laws that will remove the burdens of the people relative to the existing agricultural depression, and do full and ample justice to the farmers and laborers of our country.

3. That we demand the abolition of national banks, and the substituting of legal tender Treasury notes, issued in sufficient volume to do the business of the country on a cash system, regulating the amount needed on a per capita basis as the business interests of the country expand, and that all money issued by the government shall be legal tender in payment of debts, both public and private.

4. That we demand that Congress shall pass such laws as shall effectually prevent the dealing in futures of all agricultural and mechanical productions, provide such a stringent system of procedure in trials as shall secure prompt conviction and imposing such penalties as shall secure most perfect compliance with the law.

5. That we demand the free and unlimited coinage of silver.

6. That we demand the passage of laws prohibiting the alien ownership of land, and that Congress take early steps to devise some plan to obtain all lands now owned by alien and foreign syndicates; and that all lands now held by railroads and other corporations, in excess of such as is actually needed by them, be reclaimed by the government and held for actual settlers only.

7. Believing in the doctrine of "equal rights to all and special privileges to none," we demand that taxation, National or State, shall not be used to build up one interest or class at the expense of another. We believe that the money of the country should be kept as much as possible in the hands of the people, and hence we demand that all revenues, National, State or county, shall be limited to the necessary expenses of the government, economically and honestly administered.

8. That Congress issue a sufficient amount of fractional paper currency to facilitate the exchange through the medium of the United States mail.

9. That the General Assembly pass such laws as will make the public school system more effective, that the blessing of education may be extended to all the people of the State alike.

10. That we favor a graduated tax on incomes.

Resolutions of Respect.

WHEREAS, Our beloved brother H. Y. Moore has been called from among us to his final rest,

**Resolved**, That we acknowledge the Divine will and bow in humble submission thereto.

2. That in Brother Moore's life as a citizen, an Odd Fellow and a Christian, we find comfort and inspiration to so live ourselves as to die as well and worthily as he.

3. That we extend to his bereaved wife and relatives our heartfelt sympathy in their greatest loss and commend them to Him who doeth all things well.

4. That a copy of these resolutions be spread upon our minutes and a copy sent to the family of Brother Moore under the seal of the Lodge, and published in the city papers.

That we wear the usual badge of mourning for thirty days.

C. B. AYCOCK,  
J. W. LAMB,  
W. T. HOLLOWELL.

**Editor Argus:** As the time for our county convention is near at hand, I take pleasure in naming Mr. Moses Britt, of Grantham's township, as our choice for the Democratic nominee for the office of Sheriff. He is the right man for the office. Mr. Britt hasn't any official record for reference; he has always been a true Democrat, and is an intelligent Christian gentleman—a man that would fill the office in a manner that would be worthy of our highest commendation.

Should he be nominated every voter in this part of the county that has ever voted the Democratic ticket would put on the armour and work for his election, and I presume that it would produce a like effect throughout the county. Hence, you see that he would add strength to the Democratic ticket, and if nominated will mean Democratic success for Wayne county.

SUMMER SCHOOL!

As a good many parents prefer to have their children kept under discipline, rather than given free latitude during vacation, preferring to temper the one with the other, I shall open on Monday next, a Summer School in the graded school building, where all children committed to my care and teaching will receive my best attention.

Parents can confer with me at the school during school hours, or at my house in the afternoons.

DR. BOYKIN'S WORM - KILLER

"The Best Selling Vermifuge in the Market"

THE MOST RELIABLE WORM DESTROYER IN USE,

Recipe furnished to any regular physician when requested.

Read the following from one of the most prominent and best known physicians and farmers in South Carolina. He writes "that a negro girl ten years old near him took three doses of the Worm Killer and passed 366 worms."

Dated, Ridgeway, S. C., May 26, 1884.  
R. H. EDMUNDS, M. D.

Mr. H. M. McDonald, of LaGrange, N. C., says: "Dr. Boykin's Worm Killer brought over 100 worms from one child in the neighborhood; and it gives universal satisfaction." He sells more of it than all other worm medicines.

LaGrange, N. C., July, '87.  
Mr. J. P. Joyner—I gave my child one dose of Boykin's Worm Killer, purchased of y u. It brought 366 worms. I consider it the best worm medicine made.

A Note Of Warning. TO THE PUBLIC.

AS A MATTER OF JUSTICE TO ourselves and to the reputation of Dr. Leslie E. Keeley's Double Chloride of Gold Remedies for the cure of the Liquor, Opium, Morphine and Tobacco Diseases, and Neurasthenia, we warn the public that the remedies are used by no institution or sanitarium in the United States, except those established by our company under the uniform name of "THE KEELEY INSTITUTE."

All others claiming to use our remedies are frauds and impostors.

We have now sixty Keeley Institutes established in various parts of the United States, where the Keeley Treatment is administered, and the Keeley remedies sold. We, however, caution all to examine well and know that they are dealing with GENUINE REPRESENTATIVES, authorized by us, before taking treatment or purchasing remedies.

The fraudulent establishments use the name of "Bi-Chloride of Gold" or similar titles. The newspapers do not discriminate sufficiently to know that they are impostors, and so put down all accidents occurring at such establishments as being brought about by the Keeley Treatment. This is a matter of much concern to us, and hence this warning.

Respectfully Yours,

The Leslie E. Keeley Co.
